

WORK HEALTH AND SAFETY POLICY

COMMITMENT

Arriba Group is committed to enhancing health, safety and wellbeing performance and providing a safe and supportive work environment for our staff, contractors, clients and others. This Commitment is supported by the establishment of health, safety and wellbeing systems that align to both Work Health and Safety Legislative and international standard ISO 45001 requirements.

POLICY

This commitment shall be fulfilled by ensuring:

- We create a health and safety management system that eliminates or minimises risk of injury or illness to people associated with Arriba Group operations
- Our people are informed of and understand their responsibilities and demonstrate commitment to accountability and leadership in work health and safety
- We understand our risk profile and seek to eliminate and reduce our health and safety risks through effective hazard and risk management processes
- We consult with workers in an open and respectful manner on all matters that affect their health, safety and wellbeing
- We develop and maintain a culture that encourages all personnel to actively manage health and safety risks
- We provide a continually improving health and safety management system by establishing, and monitoring progress towards measurable objectives and targets aimed at eliminating work-related illness and injury
- We provide a Return To Work process for all staff following a work related illness or injury and, where practicable, non-work related illness or injury
- We provide Health Safety and Wellbeing information, training and supervision to workers to ensure they can carry out their work safely

Arriba Group workers will commit to the policy by:

- Adhering to all health and safety training, information and instruction provided by Arriba Group
- Reporting all hazards and incidents as soon as possible
- Identifying and supporting measures to eliminate or minimise risk of injury or illness
- Being responsible for their own safety, and for fellow work colleagues
